Permit fees will be doubled if work begins before the issuance of a valid permit.

The City of Sweeny general liability for Building, Electrical, Plumbing, and Mechanical contractors is \$300,000. Should the insurance be terminated or expire, no inspections will be performed until valid insurance is received. This is a requirement for any permit that requires general liability insurance. Under no circumstances will paid fees be refunded or transferred. Applications and plans will be held for 180 days. After 180 days this application and plans will be voided and disposed of unless a valid building permit is issued. The City of Sweeny has adopted the International Building Code, National Electrical Code, Standard Plumbing, Mechanical and Gas Codes, NFPA, and International Fire Code. All building construction plans should adhere to these building codes. APPROVED PERMIT BECOMES VOID IF WORK OR CONSTRUCTION AUTHORIZED IS NOT COMMENCED WITHIN 180 DAYS. FEES WILL DOUBLE IF WORK IS COMMENCED BEFORE VAILD PERMIT IS ACQUIRED.

If insurance lapses at any time during the issued permit, the permit will automatically become null and void.

THIS PERMIT MUST BE DISPLAYED ON THE JOB SITE AT ALL TIMES AS WORK IS BEING COMMENCED.
